The wall needs to be located on firm FLAT/LEVEL ground with a pitch size of at least 8m frontage and 15m depth with no overhead wires or low hanging trees. We cannot gain access up steep slopes with sudden gradient changes as the trailer will ground out.

- Due to the size and weight of the Laser Tag, HTF, Inflatable Volleyball, Bungee Run, Obstacle Course and Gladiator Duel inflatables (rolled up they are about 1.5m x 1m x 1m), please contact us with any possible access problems such as stairs, narrow doorways, etc.
 - In times of extreme high winds (25mph+) we may have to cease running the inflatables for safety reasons. This limit is lower for inflatables on hard standing.

Giant Garden Games and Crazy Golf Conditions:
